

Our Isle & Times

July 2018

NOTES FROM SUSAN: Tim has given a brief overview of Trust Council on Saturna and I will add that we also had a session with the new Chair of the Agricultural Land Commission (ALC), Jennifer Dyson. This was a good opportunity to get acquainted with her and to understand the direction that the ALC is heading. We also had a session on possible Act amendments, and a session on the strategic plan. We also had a brief report on best practices for Trustees during the election period. I am also pleased to say that the request for the communication strategy regarding the Trans Mountain Pipeline came from the executive committee. I look forward to seeing you at our next meeting.

NOTES FROM TIM: Greetings all. Trust Council on Saturna was very busy, with several new business items sponsored by individual Trustees. These included resolutions for advocacy on freighter anchorages, ocean plastics and micro plastics, and the potential for a secretariat role for Islands Trust in the Howe Sound Forum. The most newsworthy item was the decision for the Islands Trust to take a very public stand against the Trans Mountain Pipeline, including a national media campaign involving both traditional and emerging media.

We received a report on the Model Strategy for Antenna Systems, which will be available for implementation by Local Trust Committees, regarding siting and other concerns over new cell phone and other communication towers.

The next meeting of our Local Trust Committee is Mon., July 23rd. Please consider attending if you can, and, as always, please feel free to contact your Trustees with your questions, comments, or concerns.

REGIONAL DIRECTOR'S NOTES

Summer's here, time to join the social whirl of markets and visitors. Let's remember to be courteous and patient with our crowded ferries and increased traffic. Remember to drive slowly to reduce dust and danger to pedestrians and cyclists. Take your time and be considerate of your neighbors please.

June was a busy month with many meetings. The dinner at Gwen Bigsby's which brought together the full Fire Department was a great start. Chief Richard Carlson was able to tell the full complement (Firefighters, Dispatchers and First Responders) of the necessity for training and record keeping. We must document every action to comply with Work Safe BC regulations, and get our Firefighters certified if we are to retain Regional District support for our Fire Department. As ever, new volunteers would be very appreciated by our long serving heroes.

The weekend of June 16/17th saw the Annual General Meetings of both LIAS and the Last Resort Society.

LIAS retains the same board, except Vic Lacey, who retired. Many thanks to Vic for his years of service, and the rest of the Board for keeping on and dealing with all it takes to keep this remarkable system going! Of course all praise goes to the incredibly hard working Larry Manahan, without whom LIAS could not do what it does for so many of us. The "Connect the Coast" fibre optic system is still in the planning stages, so time will tell how that all pans out.

The Last Resort AGM followed, with Melinda Auerbach presenting the financial realities that will put a referendum question on the ballot this October asking if we are willing to pay more taxes to support the maintenance of our beautiful Judith Fisher Health Centre. I know any tax increase suggestion is unpopular, but the reality is now we've built it we should support it. This was a visionary project and I will suggest the community will grow into it. Having a secure source of annual funding will free the incredibly hard working Board to do something other than fundraise 24/7. I saw the wish list on the wall at the meeting so responded with my weed whacker, and spending two hot and tiring mornings taming the encroaching alders and blackberries graphically showed me the need for a regular yard maintenance position.

The Public Information meeting on the plans for our Recycling Centre and Free Store on June 18th was well attended. Mike Wall, the RD's Facility Manager, came with two of the Talk Trash Team, and Dale, the Sunshine Recycling Manager who runs the rest of the Regional District's recycling centers. Both Mike and Dale were able to answer people's questions, and share expertise with our

local contractor. I want to thank Robin Jacobs, Sam Bain and Tom Carter for negotiating on behalf of the landlords, The Magic Mountain Land Co-op. The plan went through six iterations before agreement was achieved, and I am optimistic that the agreed upon plan will serve us for several years. Work should start sometime this summer, and hopefully be complete by year end.

In closing I will announce that I will stand again in October to carry on as your Regional Director. The past term has had a lot of controversy, believing that perseverance furthers I ask for your vote on Oct. 20th. See you around, Director Merrick Andersson 250-333-8773

THE MEDICINE WHEEL

Nursing Clinic located at the Judith Fisher Centre
Email address: LasquetiHealthCentre@gmail.com

Nurse: Dianne McClure RN/MN

Cell: 250-240-5712 **Home:** 250-752-7419

Clinic phone (during clinic hours): 250-333-8891

Hours: Drop in Thursday from 11:00am–3:00pm

July/Aug 2018 Clinic Dates:

Sun	Mon	Tues	Weds	Thurs	Fri	Sat
July				12		
				19		
				26		
Aug.				away		
				away		
	13			16		

This month I thought I would provide some information on obtaining prescription refills. Recently I have had a number of people contacting me requesting refills. In order to obtain a medication refill you have a couple of options available to you. You can always call your physician's office and make an appointment to see your doctor to obtain the refill. If you are a patient of Dr. McClure's you will need to see him in a clinic, either in Parksville or on Lasqueti. If it is a stable condition and you have seen Dr. McClure within the past year, then you can see me at the Judith Fisher Centre during my clinic hours and I can review your medication requests and consult with Dr. McClure. Prescriptions may then be faxed to your pharmacy. Note that the College of Physicians and Surgeons does not allow for phoned-in prescriptions. It is always best to plan ahead so that you are not without needed medications. ♥ Dianne

SCHOOL TRUSTEE'S NOTES

By the time you read this it will be the end of another school year. Time to reflect. My goal, as your liaison School Trustee, was to work with others to advocate for False Bay School. It has been a busy and mostly successful year. While I haven't been over to Lasqueti as often as I wanted, I have been working to ensure that False Bay has the same

resources as our other schools. There is more work to be done. However, we are in a better place now than we were last year. I thank the teachers, principal, and Parent Advisory Members for all their work on behalf of students and families on Lasqueti. This fall you will be asked to vote for School Trustees for the upcoming four years. I will be running for re-election. You can contact me through Facebook or through my campaign email at young4sd69@shaw.ca. I sincerely hope you will all take the time to vote.
–R. Elaine Young

WHAT'S IN A NAME?

A group of people of like age were sitting on Dazy's deck and tossing around their ideas for ageing out on Lasqueti. That was 2002 and the Lasqueti Last Resort Society (LLRS) was born to make sure that "something" was available on island to make that possible. Turned out that a lot of effort was required: deciding what ageing out looked like; learning how to express that as a zoning bylaw; and securing a parcel of land. When the Magic Mountain Land Co-op was willing to donate a hectare of land, Laurence Fisher was asked if he would like to have the land named after him. He said NO, however it did work to name it after his mother.

The Judith Fisher Centre is the parcel of land that has the health centre building, the Alan Greene elder cottage, the services building, the garden and the generator/wood shed located on it. Hopefully, this clears up any name confusion that you may have.

LLRS's vision has always included a health facility that would provide health services for the entire island population. After having moved the nursing clinic a few times, it was time to have a permanent place for the nurse to practice. It also made sense to have that facility in close proximity to the elder housing.

The PowerPoint presentation that was given at the LLRS annual general meeting on June 16th is available as a PDF. Please contact me by email and it will be forwarded to you.

–Melinda Auerbach, Administrator, 250-333-8891

<http://facebook.com/Lasqueti-Last-Resort-Society>

MAJOR OVERHAUL

The Recycling Information Open House on June 18th at the Judith Fisher Centre was successful and folks were in favour of the upgrades to the Recycling Centre and Free Store. The facility upgrades are needed in order for Lasqueti to produce clean recyclable materials that will be able to find an end market. The upgrades will also accommodate the collection of materials for local use for upcycling or other innovative and environmentally responsible endeavours.

Site clean-up/preparation begins July 9th at our Recycling Depot/Free Store. The Free Store will stay open while the Recycling Depot closes from the end of day July 8th to

potentially December 2018. This means that the only things that can be dropped off are: clean re-usable clothes and household items and refundable bottles.

This is the time to reduce what we bring to Lasqueti, since everyone will be responsible for storing, or taking their recycling off island. Below are some suggestions for the interim:

Buy less. Zen and the Art of using less.

Leave packaging at point of purchase. This way you deal with it once. Stores are obliged to take the packaging that their products produce.

Encorp's Parksville Bottle and Recycling Depot, 611A Alberti Hwy. Open 7 days a week, 8am - 6pm. 250-248-0224

Qualicum Bottle and Recycling, Unit 4-141 4th Ave., Qualicum. Open Mon. to Sat. 9am to 5pm. 250-752-8884

Transfer Station, 860 Church Rd., Parksville. Open 7 days a week, 8am-5pm. Closed statutory holidays. Garbage (Residual), yard waste, construction and demo material and clean recyclables. For residents of Nanaimo Regional District. Some fees may apply. 250-390-4111

The Third Annual Lasqueti Styrofoam Day will be in August. Stay tuned for the date. Bike or carpool to Squitty Bay Park. Bring drinking water, good footwear and gloves. Be ready to roll up your sleeves for a daunting but worthwhile task. Check out the story from last year, published in the Times Colonist: <http://www.timescolonist.com/opinion/op-ed/comment-plastic-pollution-a-growing-problem-on-our>

Contact: peter_dietsch@hotmail.com

Dump Fees: July dump days are Sat., July 6th and 21st from 1:00pm-3:00pm. These are the first dump days with paid fees; \$5/bag or \$25/truckload, cash only. "If you don't show up with money I will be turning you away!" Robyn, our Waste Manager says. Remember: the dump does not accept compost or other biodegradable matter like cardboard. Also, no dumping of foam, hazardous material, nor recyclable items.

Recycling news: more packaging materials can now be recycled. They can be taken to the Parksville Bottle Recycling Depot. Coffee bags, chip bags, zip lock bags and more. <https://recyclebc.ca/> has details and the list of other depots.

Our Powell River Regional District is seeking members to sit on the **Lasqueti Island Solid Waste Management Oversight Committee**. It's being formed to oversee the implementation of the Lasqueti Island Solid Waste Management Plan. Check out the call for applications in this issue of Our Isle and Times and online at www.powellriverrd.bc.ca under Current News, Notices & Initiatives.

— Julie Newton, Let's Talk Trash

FREE STORE, RECYCLE CENTRE & LANDFILL INFORMATION

FREE STORE: Open during upgrades. Summer hours: Mon. and Thurs. 1:00 to 5:00pm. Accepts clean reusable clothing and household items. Please: no hazardous material nor electronics. If your thing has a cord or batteries do not drop it off.

RECYCLING CENTRE: Closed during upgrades: July 9th until completion some time in December. Recyclables will need to be stored at home or taken to recycling depots off Island. Only refundable bottles can be dropped off. See Let's Talk Trash Column ("Major Overhaul") above for suggested places for plastics and paper packaging.

RE-USE CLASSIFIEDS: post furniture and building material at lasqueti.ca

LANDFILL: Forbes Rd.

Summer Hours: April 1st to Sept. 30th, 1st and 3rd Sat. of every month, 1:00pm-3:00pm

New Fees: \$5.00 a bag and \$25.00 a truck load.

Accepts: non-recyclable plastic, metal, glass, and tires- but remove from the rims.

Does not accept: drywall, paper/cardboard, electronics, recyclables, foam, styrofoam, yard waste, compost or hazardous materials.

WASTE MANAGER: Robyn Dryburgh, 250-228-2284

—Julie Newton

GOOD TO GO

A couple of years ago a group of us got together to figure out what needed to be done before we die to help those left behind. We wanted to create something to help our survivors deal with our affairs as simply and easily as possible. The result was the Good to Go kit.

We are really pleased how many people have purchased these kits. The positive response has been great.

The question is, how many of us have filled them out? Forms, facts, figures all wanting and waiting to be answered. Yuck. But it's such a good and important thing to do.

We are offering a workshop on Tues. July 10th, 3:00pm, at the health centre. (Donations welcomed, but not required.) Come with your kits (or buy one there) and questions, and we will help you get it done. We won't discuss your bank accounts or exactly where you've hidden your gold; we'll simply help you navigate through what seems to be daunting but really isn't.

Good To Go kits are available for \$5 each at the Last Resort table at the Saturday market or at the Health Centre. All proceeds go to the Last Resort.

—Annie & Terry T.

IN PRAISE OF VOLUNTEERS: FOUNDATION OF OUR COMMUNITY

The discussions at the well-attended Annual General Meeting of the Lasqueti Community Association (LCA) on June 2nd showcased the significant volunteer efforts contributed by the LCA committees on a variety of topics important to our community.

Our volunteers are the foundation of our community. Volunteers run and contribute to our societies and organizations, including the Community Association plus all its committees, Fire Department (fire fighters, first responders and dispatchers), Parent Advisory Council, Last Resort Society, Internet Access Society, Advisory Planning Commission, Arts Council, Ratepayers Association, Nature Conservancy, school volunteers, market, newsletter, webmaster, email list moderators, art picnic, Pete's Lake Water Users, and others.

People volunteer because they value our community. In many cases, the tasks take a lot of time and energy. Meetings are not fun, nor is cleaning up after an event, nor is being woken in the middle of the night to respond to an emergency, but volunteers believe that their contribution can make a positive difference.

Volunteers enable the beautiful community that we all love, and their contribution is important. They prepare the social soil in which our ideas can be planted and flourish.

Our community would not be what it is without you. I feel fortunate to live in a place with such a high level of volunteerism. Our shared garden has fertile soil. Dig it. People contribute where they can, and there are many ways to volunteer:

- Reach out to a society, committee or organization – just ask
- Respond to calls for volunteers for specific tasks – just step up
- Identify a need and start organizing – just do it

Willingness to share the load is gratefully received, not just for helping take on some tasks, but also because of an increased sense of a shared direction.

Our social connections make us resilient, and capable to do what's needed to take care of ourselves.

Working the soil of our shared garden together allows our collective dreams to grow.

—Andrew Fall

**LASQUETI ISLAND
NATURE CONSERVANCY**

The June Homestead and Garden Tour was fabulous. Each place was so different from the next, and all of them were inspirational. A huge thank you to the generous hosts and all of you who visited. Almost \$2000 was raised towards LINC's acquisition of the Salish View

property.

The next tour will be July 29th, noon to 5:00pm. The homesteads and gardens open that day are: James Schwartz, Mike Wood, Joseph and Brigitte (noon to 3:00pm only), Ezra and Melinda, Mike and Cindy. Please note that LINC will be providing snacks and age appropriate beverages from 4:00-5:00pm at Mike and Cindy's, included with the price of your ticket. Tickets, \$20 for adults and free for children under 18, are available ahead of time at Provisions, Crystals and Chamomile or the post office. We strongly encourage you to carpool, bike, hike and park with consideration for others.

August 25th dinner, auction and dance band! Get geared up for this big event on Lasqueti Day! Contact Bonnie if you want to help in the kitchen. Contact Sharon Chesham or Sheila Ray to offer auction items, and get your dancing shoes out! Dinner and Dance is \$50. Skip the dinner and auction and simply come to the dance- \$20.00 The Gerry Barnum Trio is a great band to listen or dance to! Tickets available soon. Come support the conservation of nature on Lasqueti, through our acquisition fund.

Update on Salish View: We are thrilled with the direction that the campaign is going – up! We have now raised \$112,326 toward the \$250,000 cost of the acquisition. We are now half way in time – the offer closes Dec 21st, and close to half way to the funding goals. Help us acquire this property for everyone's benefit – ours, our children's, and other species, including the fish that do make their way into Wamar creek – thanks to the stewardship and protection of the watershed – all the way to the top! Join us in our monthly walks (July 22nd next), call us to arrange a visit or simply ask questions. linc@lasqueti.ca or 250-333-8754. Please support this public acquisition project by donating directly by cheque, or making an online donation through [CanadaHelps \(www.canadahelps.org/en/charities/lasqueti-island-nature-conservancy/campaign/salishview\)](http://CanadaHelps.org/en/charities/lasqueti-island-nature-conservancy/campaign/salishview) or Islands Trust Conservancy (www.islandstrustfund.bc.ca/donate/please-help-our-campaigns.aspx). —Izzy, Annie & Wendy for LINC

ROCKSHOW XII

Lasqueti's live music event returns for the 12th year! Enjoy a variety of live performances from bands from near and far on Sat. July 14th, 1:00pm onward at the community hall. Refreshing beverages and tasty eats onsite. \$25 gets you all day and evening access, with seniors and family rates available.

This year we are excited to announce the return of Seattle Blues powerhouse Howlin' Hounddog, whose all-star lineup includes some local guest musicians this year. Victoria duo Tremblers of Sevens will also be a highlight, as well as some performances from Gabriola, Hornby, and our very own little island. Stay tuned to a Rockshow! near you!

—Tim P.

WHAT'S HAPPENING AT THE ARTS CENTRE?

SUMMER ART SHOWS

Our gallery is alive and will be shining all summer with a variety of fabulous shows. Many thanks to Gordon Scott for getting us off to a good start in June with his very fine paintings. Next up, we have 'Hungover', a multi-artist show July 2nd-12th.

A show of acrylic landscape paintings by Vancouver artist Liz Toohey-Wiese opens July 13th, 'Salish View' group show and auction July 20th, a group printmaking show featuring cyanotype experiments led by Alexa Thornton July 27th, Recent works by Darzo Aug. 3rd, Sophia Aug. 10th, Sekoya Aug. 17th, and Valeria Aug. 31st. Many of these shows will start off with a Friday night opening: wine and cheese, artsy chit chat: very chic! Stay tuned for more info. Gallery will be open during market, Art Picnic, and during post office hours. Lots of opportunities to feast your eyes and soul!

RENTING THE SPACE

The gallery is available to all community members for events, workshops, film screenings, healing arts, yoga, dance, and more. The Studio is available for art making, \$3/hour or 10% of any profit, either space. To rent either space, please contact Valeria. I will make sure Tony gets it on his calendar. If you are renting the gallery, please be respectful of the art, and leave the space clean and ready for the next event. Thank you.

The buildings and grounds are looking good after much cleaning up. Please respect our intention to keep the area clear of clutter. Thank you.

Warning: Thursday afternoons in July and August will be noisy and all tables and chairs will be in use. Not a good time for a meeting or meditation, come to Art Picnic instead!

ART PICNIC

Every Thursday in July and August. Noon-4pm under the market tarps, (thanks, market people!). Creative fun for all ages: babies, great-grannies, and everything in between. Come play, make friends, make art. Carve with Ingo, bead with Jessica, completely unleash your creativity, experiment with a variety of materials (paint, glue, paper, mosaic, fabric and more), inspire, surprise, and delight us all with your creations.

Donations of \$ and/or art supplies are gratefully accepted. Paintable wood scraps, any size, are especially appreciated.

Here's to another fantastically creative summer on this beautiful island! Wheeeeeee! Art is fun! I love Art Picnic –Valeria 250-333-8691, 250-240-0866,

valeriapainting@gmail.com

OPEN HOUSE & SUMMER DANCE WORKSHOPS AT DENISE'S NEW STUDIO

OPEN HOUSE – July 27th, 6:00pm

I will be hosting an open house at my new dance studio Fri., July 27th at 6:00pm to welcome the community into my new space. This beautiful new studio is nestled up on a bluff overlooking an expansive field. There will be a short dance presentation showcasing some of the recent works our Lasqueti dancers have performed. Refreshments and snacks will be provided. Come out and have a peek at this beautiful new space and meet and greet some of its dancers.

SUMMER DANCE WORKSHOPS IN JULY

These summer workshops will incorporate Laban Movement Analysis and Bartenieff Fundamentals, approaches that include enhancing, refining and clarifying movement while addressing the physical/biomechanical functioning of the body. All workshops will emphasize breath, moving efficiently with minimum stress on the joints, preparing the body to move in a more healthful and vibrant way, inner connectivity, outer expressivity, and artistry. Based on the premise that everyone can dance, these workshops are intended to celebrate the moving, expressive body, and to facilitate fun.

Adult Dance Workshop

Monday, July 9th-Friday, July 13th 9:00am-11:30am

Cost \$125

This fun five-day modern dance workshop includes Bartenieff's movement patterns, Laban's time, weight, space and flow, ballet and yoga. Classes will focus on developing strength, flexibility, coordination, breath, and grace.

Dance Intensive, ages 13 -17

Sunday, July 15th-Sunday, July 22nd 9:00am-3:00 pm

Cost \$400

This workshop will focus on both creativity and technique, and will include modern dance technique, yoga, Bartenieff's patterns, improvisation, movement studies, Laban work, and choreography techniques. Drawing from a variety of creative sources, choreographic structures, and techniques, the dancers will be setting their own dances: solos, duets and group pieces. We will discuss creativity, and there will be time for self-reflection and journaling. There will be a dance presentation at the end of this dance intensive.

Youth Dance Camp, ages 10-12

Monday, July 23rd--Thursday, July 26 9:00am-Noon

Cost \$120

This fun-filled four-day dance camp is designed to engage the child's creativity. Blending various styles of dance technique, rhythm, vocal work, improvisation, theatre, and French, each dancer will be encouraged to unleash their inner performer. There will be a presentation at the end of this dance camp.

All workshops will be taught by Artistic Director, Denise Lieutaghi, certified teacher of the Bill Evans Method of

Teaching Modern Dance Certification Program, and certified Radiant Health Yoga teacher. **For more information and registration please call Denise at 250 240-0457 or email dance@lasqueti.ca**

–Denise Lieutaghi

LASQUETI COMMUNITY SERVICES

We have been getting a lot of questions lately asking “what services does Lasqueti Community Services offer?”. So here is a bit of information about us, and the services we are offering this year.

LCS was established in 2016 as a community owned and operated business that aimed to meet some of the growing need for services on Lasqueti. We were hearing from folks that they were having trouble finding willing workers on the island. At the same time, we were hearing from young people on island that they were having trouble finding work, and that it was hard to afford to live on Lasqueti. We started LCS with the hopes of addressing both of these issues.

We are WCB covered. Both clients and staff have the added assurance that not only is safety a priority for us, but if an injury were to occur on the job, the employee would be supported. We pay into CPP and EI. This might not seem like a big thing to some, but to our employees it means that in the slower winter months they could potentially collect employment insurance, which would make living full time on Lasqueti much more realistic. And for those employees looking to get a loan or a mortgage at some point, having proof of income makes this task much easier.

For those using our services, it means getting reliable services when you need them, from people you can trust.

Our Services:

Housekeeping, from light jobs to big jobs, weekly upkeep to monthly clean ups.

Meal Prep, we can help out with light meal prep. Healthy delicious meals made in your home with your ingredients. Perfect for times when you are feeling worn out to cook, recovering from surgery or an illness.

Gardening, we can help out around the garden beds and yard through the spring, summer and fall.

Weed Whacking, NEW this year we are offering weed whacking services. We supply the machinery, and have employees who are competent and hardworking.

Air BnB Support, we have experience setting up and running Air BnB on island. Whether setting up a new rental, or need help with an existing one, we can lend a hand.

NATURAL PLASTER FOR ANY STRUCTURE

If you've been wanting a new look or just want to finish an unfinished space, another option available on island is a beautiful Natural Plaster.

I have years of experience applying this textured finish on cob structures. I've also applied it to wood and metal with excellent results.

One tiny building that I've lived in for ten years has been my main testing ground for this plaster. After ten years, I've had to touch it up once, this Spring, around the heavily abused door frames. Not one crack, not a bit of mould, this entire time. Of course, this was primarily on cob walls which outperform wood in both areas.

The plaster is 100% non-toxic; it will smell for a day or a few, depending on the area being plastered.

If you'd like to see what it looks like, please arrange a viewing by contacting Dave Olsen.

Dave Olsen

web: cob.lasqueti.ca email: cob@lasqueti.ca

Build your dream...easier, faster, and more affordably with Cob!

LEDs FOR EVERY OCCASION

Our on-island LED inventory just keeps getting bigger. In addition to the 110V AC lineup listed in last month's issue, we have a full DC (12V and 24V) lineup as well:

3W (330 lumens/30W eq.): \$16

5W (550 lumens/60W eq.): \$18

7W (770 lumens/80W eq.): \$20

9W (990 lumens/100W eq.): \$22

12W (1320 lumens/130W eq.): \$24

15W (1650 lumens/160W eq.): \$30

This month's Isle & Times Special is **10% off any 3 DC bulbs** bought together.

I also stock LED strip lighting that is made for 12V DC but can easily be adapted to 110V AC (I have all the parts and pieces to make it easy; I can also install it for you).

LED String lights are either battery powered (I have rechargeable AAs in stock), USB-powered, or solar-powered...they brighten up any space for festive occasions. Most are \$25.

The built-in solar paneled LED night lighting options allow you to install these anywhere you want light at dusk and beyond - no wiring necessary! Fully waterproof and most have motion sensors to turn on only when it's needed.

USB-rechargeable has become the easiest method to charge up your devices. So I've got a whole lineup to add to yours:

High-Powered Flashlights (\$30)

Pocket-sized Flashlights (\$20)

“Lasqueti” Headlamps (\$20)

“Kerosene” Lanterns that you turn on and off by blowing! (\$30)

Desk Lamps with three levels of light plus: Multi-Coloured NightLight, Time, Date, Alarm, Timer and More (\$40)

There's even more: car/RV lights, track lighting, spotlights, bike lights, garden lights...

And anything I don't have in stock, I can get to you in as little as two weeks.

All our LEDs are the highest quality in their class, use the least amount of power per lumen produced, and have manufacturers that stand behind their products.

Call or email anytime to place your order...I'm glad to deliver downtown, or put it in the local mail.

PS. all of our bulbs now have a 2-year warranty. No hassles, no receipt (if you order by email), no postage or ferry travel required.

LASQUETI ISLAND SOLID WASTE MANAGEMENT OVERSIGHT COMMITTEE **Call for Applications**

The Powell River Regional District is seeking members to sit on the Lasqueti Island Solid Waste Management Oversight Committee. The Committee is being formed to implement the Solid Waste Management Plan. Copies of the Committee's Terms of Reference are available on the home page of the Powell River Regional District website under Current News, Notices & Initiatives (www.powellriverrd.bc.ca).

Committee members must be 18 years of age or older and be generally available to attend regular on-island Committee meetings and meet the Terms of Reference criteria. Broad representation of the island as a whole will be considered when selecting Committee Membership.

Interested, eligible individuals should send a written application explaining why they want to sit on the Committee and what qualities and/or expertise they will bring to the Committee.

Applications may be submitted by mail, fax or e-mail:

Address: Powell River Regional District
Attn: Rosi Temple, Office Clerk Technical Services
202 - 4675 Marine Avenue
Powell River, BC V8A 2L2
Phone: 604 485-2260
Fax: 604 485-2216
E-mail: OfficeClerkTechServices@powellriverrd.bc.ca

The deadline for applications is 4 pm, Wednesday, July 18, 2018.

Our Isle & Times is published on a monthly basis. It is a community supported newsletter, i.e., the articles and ads are written by community members. The contents do not necessarily represent the views of the editor/publisher, nor is their accuracy guaranteed.

Donations for all submissions are most gratefully accepted. Submissions may be made by emailing Kimi Cochlin, at isleandtimes@gmail.com or mail to: PO Box 1, Main Road, Lasqueti Island, BC, V0R 2J0 or to. Articles over 50 words in length must be submitted electronically.

Off-island subscriptions are available for \$10.00 per year (PDF by email). Paper copies are \$25.00 per year (Canadian addresses), \$30.00 (U.S. addresses), or \$35.00 (overseas addresses). Please make cheques payable to Kimi Cochlin.

The deadline for submission for the August issue is midnight Wednesday August 1st, for release Wednesday August 8th.
