

Welcome & Thank you for coming out!

We would like to acknowledge we are on unceded Coast Salish territory.

Our goal today is to review Official Community Plan (OCP) objectives related to

Community Stewardship

Process

We will go through the current objectives in the existing OCP, as well as new proposed objectives suggested by members of the community.

For each objective we would like to see a show of hands to indicate your support.

These objectives should articulate our broadly shared values and interests and will be used to inform the policies that guide and limit our local governments.

Process

- Current objectives can be
 - kept as is (default)
 - kept with minor or major wording changes
 - Removed
- Proposed objectives can be
 - Added as is
 - Added with minor or major wording changes
 - Not added (default)

Process

27 objectives to review today

General objectives

Food

Human Resources

Sustainability and Resilience

Economy

Housing

Housekeeping items

- Speaker's list will prioritize folks who haven't yet spoken
- Short break 1/2 way through
- Email sign up list to receive notes
- Refreshments & Donations

Sub Committee Volunteers

The feedback we collect today will go to a Community Stewardship Sub-committee group who will use it to word a revised set of objectives.

-limited time commitment! not onerous!
(maybe only a couple of meetings, the work could also be done online via email)

Please indicate on the email sign up list if you might be interested.

General Objectives

Current Objective - Section 3.4, Objective #3

To encourage and ensure that personal responsibility is exercised by owners of dogs and other domestic pets to keep them under direct control

General Objectives

Sustainability and Resilience

**Have we missed any
objectives for
Sustainability and Resilience?**

Economy

Proposed Objective

To consider short-term vacation rentals as commercial activities, and as distinct from long-term rentals.

Economy

Proposed Objective

To support a local economy with sufficient employment at fair rates of pay to allow people to make a living on the island

Economy

Proposed Objective

To encourage economic development other than conventional tourism, including cottage industries and services, education, workshops, etc.

Economy

Proposed Objective

To support creation of a village at False Bay with various commercial services (e.g. stores, daycare) and shared infrastructure (e.g. utilities).

Economy

Proposed Objective

To regulate and manage tourism development as a commercial activity to maintain our rural community

Economy

Proposed Objective

To support creation of employment opportunities from repurposing of waste.

Economy

**Have we missed any
Economy
objectives?**

Housing

Proposed Objective

To support affordable housing.

Housing

Proposed Objective

To support the ability of younger people, and people with low and modest incomes, including new and old residents, to live on the island.

Housing

Proposed Objective

To support increased efficiency of homes (e.g. heating, energy use, water use).

Housing

**Have we missed any
Housing
objectives?**

Did we miss anything?

**Are there any other objectives related to
Community Stewardship
that we may have missed?**

**Any further input for the sub committee to
consider?**

Who wants to join?

Thank you

Your input is very much appreciated!

**You can also email your interests,
comments, concerns, ideas etc. to
ocp@lasqueti.ca or mail to LCA OCP
Steering Committee, GD Lasqueti, V0R 2J0**

Next forum will be August 31st

Hope to see you there!
