

## **PRRD PUBLIC ENGAGEMENT June 23d 11 to 4 at the HALL**

On Tuesday June 23d 12 people from our Regional District are coming to Lasqueti to make good on their commitment to discuss RD initiatives with the community. The plan is to start with one and a half hour's Open House with information tables set up with background material on 911 Dispatch and House Numbering, Firehall and Recycling changes, and Waste Management changes. These tables will be attended by PR Staff members and our local Waste Manager and Fire Chief and 1<sup>st</sup> responders to answer your questions and record your opinions. This will be followed by a public meeting to share ideas. I have engaged Tara Darwin to provide some fluid refreshments, but would suggest packing a snack as we are meeting over the lunch hour. It is the duty of the Regional District to provide essential services to Area E, Lasqueti Island, to Provincially regulated levels. Please plan to attend this meeting and participate in local government! Director Merrick Anderson
